

Grants awarded under the NAAFI Fund | Awards 2021/2022

Grants totalling £1,199,037

Name	Project Title	New Project Summary	Grant Amount
England			
167 Regt RLC	Welfare Hub Reurbishment	This NAAFI grant will enhance and improve the Welfare hub, both indoors and outdoors. Creating more space and with a modern aesthetic feel. The hub is the central place for our Regulars, Reservists and their families to gather and socialise. It will also provide vital wellbeing and training activities, aiding the overall lived experience and unit cohesion.	£7,000.00
RAF Honington	NAAFI Outdoor Social Hub	The 'NAAFI Outdoor Social Hub' will be a free standing canopy to develop an area of potential identified at RAF Honington into a social hub consisting of permanent seating protected from the elements that can be accessed by all military and civilian staff and is central to station welfare amenities.	£20,000.00
Allied Joint Force Command Naples	Outdoor Cinema	This 'Outdoor Cinema' will provide the opportunity for the community to come together for outdoor movie screening and sporting events. Enabling a greater level of social interaction between the different messes, families and the Armed Forces community in Naples.	£10,000.00
35 Engineer Regiment (EOD and Search)	35 Engr Regt Welfare Hub	Funding will provide Explosive Ordnance Disposal and Search personnel, who frequently deploy on highly dangerous operations, with a furnished welfare hub configured to foster cohesion and team spirit. This will provide a welfare location for service personnel to relax and recuperate, directly improving the lived experience of our people.	£17,700.00
2 Royal Anglian	Poachers Soldiers Recreation Area	The 'Poachers Soldiers Recreation Area' is an outdoor, all-weather recreational leisure area for soldiers to congregate. Durable shelters, lighting, overhead cover and recreational equipment. Part of a larger project that includes groundworks, fitness and sports equipment. The SLA is in poor condition and has no indoor communal areas. This will improve soldiers' mental wellbeing.	£29,510.00

1st Battalion Scots Guards, Op ELGIN 8	Project Alma	Project Alma will improve safety of decking outside deployed accommodation and enhance the welfare facility in Camp Novo Selo by creating a decked relaxation area. The fund will also buy a pool table for the British soldiers to use during outside of duties.	£2,000.00
1st Infantry Training Battalion	Beharry VC Centre - Facelift	The four functional areas of Beharry VC Centre, Cinema room, Main Hall, Pool/ Snooker and Gaming area are all in dire need of new furnishings. These funds will give the centre a facelife for the Armed Forces Community to use.	£28,543.00
Defence School of Transport		The grant will support the development of new facilities to support Serving Personnel and their families in Defence School of Transport.	£6,500.00
THE ROYAL LANCERS (QUEEN ELIZABETHS' OWN)	Pennons' Revival	The Royal lancers project 'Pennons' Revival' will improve their welfare facility. Encouraging families to involve themselves with the regiment. The project includes refurbishment of our garden area so that it can be utilised in all conditions by Armed Forces families and especaily those with children.	£10,000.00
34 Fd Hosp	34 Fd Hospital Welfare Project	The 'Hospital Welfare Project' will enhance the overall welfare facilities available to service personnel and their families and strenghten the wider sense of community. The project aims to improve mental health, physical development and increase inclusion and accesbilty to all service personnel their families and wider forces community and supporting organisations.	£10,000.00
Army Welfare Service York	Community Connections	The funding will allow us to develop the community hub. It will include updating resources and developing the weekly program to include outdoor activities. Children, young people of Armed Forces families will be empowered, to become involved in the development that will raise mental well being, whilst combating loneliness and social isolation.	£10,800.00
RAF Fylingdales	GEODESIC SPACE DOME	RAF Fylingdales will build a 'Geodesic space dome' beside their astronomy observatory allowing personnel and Armed Forces families to view the night sky in the north Yorkshire moors. The weather during skygazing is extremely cold, the addition of a warm environment will ensure access to all.	£20,000.00

1 Regiment RLC	Regimental social hub and cafe	The project 'Regimental social hub and cafe' will provide the focal point on camp where all ranks and their families can meet, socialise, relax. It will be the centre of social activity, providing a welcoming, comfortable space that will appeal to personnel of all ranks and tie into an existing garden project.	£19,000.00
The Army Training Centre Pirbright		The grant will support the development of new facilities to support Serving Personnel and their families in The Army Training Centre Pirbright.	£11,813.00
British Defence Singapore Support Unit	BDSSU Cycle Grant	British Defence Singapore Support Unit is a small team of military personnel and families located in Singapore. All personnel live on an open (non-military) estate. Whilst relatively self-sufficient, a selection of folding bikes, procured locally, will significantly enhance options for exploring and enjoying the local area, as Singapore has extensive interconnected bike ways.	£6,410.00
579 Fd Sqn (EOD&S)	579 Fd Sqn Welfare Project	The Unit will build a new welfare area for soldiers and families. The project is self-help and will encourage soldiers to re-engage with their artisan skills to 'own' the construction and see it as part of their heritage. The project will include BBQ area, children's sand pit and social area.	£20,000.00
The Army Training Centre Pirbright	Peter Pan Forest School Fun	The 'Peter Pan Preschool' provides Early Years education for Service children at ATC(P) and supports isolated families. The 'Peter Pan Preschool Fun' project will provide a fence and landscaping to replace a temporary structure to secure a woodland space for Forest School activities. Additional outdoor educational resources are also required.	£20,000.00
HMS SULTAN DEFENCE SCHOOL OF ENGINEERING	Peace and wellbeing space	The project 'Peace and wellbeing space' will improve an area of land at the back of the medical centre to create a safe, wellbeing space for ships company to sit away from the hustle and bustle of the base. Creating an aesthetically pleasing area to think, interact with peers and reset.	£12,758.00
HMS Sultan Medical centre	Medical Centre Team Cohesion area	HMS Sultan Medical centre will improve an area around the medical centre which will encompass an outside eating / meeting and physical activity area for the medical staff to promote healthy team cohesion and a healthy work to rest ratio during the day this will also help personnel to feel less isolated.	£6,788.00

Hermitage Station	HERMITAGE P2B REGENERATION	With this funding, Hermitage Station will establish an all ranks modern and functional communal space. This space will provide 5 specific zones allowing creative thinking, collaborative gaming, Unit function delivery, social interaction and a big screen area to watch sporting events communally. An inclusive space for serving personnel, their teams and their families	£18,362.00
