

**Grants awarded under the NAAFI Fund | Awards 2022/2023**

**Grants totalling £859,187**

| Name                              | Project Title                            | Project Summary   | Grant amount |
|-----------------------------------|--|---|--------------|
| <b>England</b>                    |  |   |              |
| 1 Close Support Battalion REME    | <b>The Pathway to Leadership</b>         | With the grant from the NAAFI Fund, 1 Close Support Battalion REME, will look to improve the The Corporals Club. The Club has relocated building and investing in new furnishings will make the club much more inviting and welcoming. This will turn an open space into a multi-functional room that the Cpls' and LCpls' are proud to use and be associated with.   | £1,888.00    |
| 101 Engineer Regiment (EOD&S)     | <b>1 Troop Cohesion Area.</b>            | 221 Fd Sqn will use their NAAFI grant to build a social area at the reserve centre. Service personnel and their families are geographically dispersed in the area. it will provide a safe and fully fitted communal area, with BBQ and seating and will encourage cohesion and bonding outside of normal work hours. It will help families of serving members feel included as part of the unit fabric.   | £9,000.00    |
| 124 Squadron Royal Logistic Corps | <b>Social Family Cohesion Project</b>    | 124 Squadron Royal Logistic Corps, will use their NAAFI grant to improve the social welfare facilities of an Army Reserve centre. This will be a communal social space with funds spent on refreshment facilities, redecorating and providing some interactive activities including a pool table, darts and a new TV. This space would be utilised by both the serving members and their families.  | £6,000.00    |
| 17 Port and Maritime Regt RLC     | <b>17RLC Welfare Enhancement Project</b> | The 17RLC Welfare Enhancement Project will provide two main areas of improvement onsite. For serving personnel a relaxation hub, and for serving personnel and their families, an outdoor health and wellbeing facility. In the relaxation hub, the grant will revamp the cookhouse and provide a social space for gaming and relaxing. The funds will also go to improve the welfare garden and greenspace outside. Aiming to create a family friendly environment for service families (including serving personnel) to enjoy, with a new shed, safe new walkways, and family picnic areas with a memorial garden for reflection. | £23,500.00   |

|  |  |  |            |
|--|--|--|------------|
| 19th Regiment Royal Artillery (The Scottish Gunners) | <b>Purvis Lines Break Room</b>           | The grant will support the development of the 'Purvis Lines Break Room' and will provide a the soldiers of 19th Regiment Royal Artillery with a break room facility near to their working area. The creation of a breakroom will provide a relaxing environment with comfortable sofas, a counter serving hot drinks and snacks, fridges with pre-packaged sandwiches and cold drinks. The space will also contain an entertainment area with games which will encourage the soldiers to socialise and encourage friendship. | £12,000.00 |
| 1st Battalion The Rifles                             | <b>1RIFLES Kayaks &amp; Paddleboards</b> | 1st Battalion The Rifles, will use their grant to purchase a number of Kayaks & Paddle boards. The equipment will be available to all service personnel in 1 Rifles as well as their family. Groups can take the equipment away for a few hours or over a weekend to have fun outdoors.  | £10,500.00 |
| 1 R WELSH  | <b>Welfare Entertain</b>                 | The grant will be used to improve facilities within the welfare communal garden of 1st Battalion Royal Welsh. Updating weather protection and improving comfort will be at the heart of the project, ensuring it be can used all year round. The communal area is used by families of the 1st Battalion Royal Welsh. A hog roast and BBQ plate will be added to encourage people to visit more frequently.   | £10,272.00 |
| 1st Signal Regiment                                  | <b>One Team Outdoor Social Spaces</b>    | The project 'One team outdoor social spaces' will provide an improved space for the junior ranks to relax, socialise and spend time during their evenings and weekends. The grant will be spent on new picnic tables and chairs. It will bring nature into everyday life which will benefit and assist junior soldiers with their mental and physical well being. The goal of the project is to create a safe and welcoming outdoor space to help reduce stress and provide an area to relax.                                | £7,500.00  |
| 210 Battery 103 Regiment Royal Artillery             | <b>Pedal Around, Fun and Fitness</b>     | The 'Pedal Around, Fun and Fitness' project will open membership up to to all service personnel and their families. The Organisation will provide via a club structure, access to Mountain Bikes and safety equipment, to enable service personnel with potential for also their families to attend both organised adventure training, family days and loan. The unit instructors will deliver activities and competency training for all, and maintain the bikes.   | £10,000.00 |

|  |  |  |            |
|--|--|--|------------|
| 221 Field Squadron<br>(Explosive Ordnance Disposal and Search) | <b>Hudson House Social Area</b>            | This project will change a disused storage space into a games room and social area. The project will install a large screen TV with sofas for relaxing, a games console for competitive ESports, a 3-in-1 pool / ice hockey / table tennis system for small team competitions. As well as this a wall mounted electric projector screen will be fitted to allow for larger social gathering to watch sports and national events. This area will be available at all times for Squadron members and their families to use. The area is weather proofed already so the room can be used throughout the year. | £11,124.00 |
| 27 Regt RLC  | <b>27RLC Try a Tri</b>                     | The grant will used by 27 Regt for their 'Try a Tri' project. This will purchase bikes, female and male wetsuits, triathlon team race suits and numerous smaller items for the benefit of all soldiers within the regiment. The equipment can be used by any member of the unit in order to give triathlon, cycling or open water swimming a go, without the need to go out and buy their own equipment.   | £9,500.00  |
| 27 Regt RLC  | <b>Cricket - Sports for All</b>            | The grant will support 'Cricket - Sports for all' by 27 Regiment. This project reflects the diversity of the Unit ( with 32 different nationalities). The aim of the project is to build friendships through the sport of cricket. This funding will support the procurement of equipment to aid UIN playing competitions.   | £1,000.00  |
| 2ND BATTALION<br>THE PARACHUTE<br>REGIMENT                     | <b>Project Airborne Adventurer</b>         | Project Airborne Adventurer will use the grant to purchase a fleet of Mountain Bikes and Rock Climbing Sets for The Second Battalion The Parachute Regiment. This will enable the Parachute Regiment soldiers to conduct Adventurous Training no matter where they may be deployed around the globe.   | £15,000.00 |
| 2nd Battalion The<br>Royal Gurkha<br>Rifles                    | <b>Dover Community Centre Enhancement.</b> | The project will support service families accommodated in service family accommodations at Dover, by establishing a fitness facility. This will benefit 102 service families living away from the main base camp to promote healthy and active lifestyle and improve mental well-being.  | £20,000.00 |
| 3 Medical Regiment   | <b>Project One team</b>                    | With this grant 3 Medical Regiment will reopen the community centre that has been closed for three years. It will bring together the service personnel and their families with an indoor and out door recreation areas. The grant will support the development different areas inclding a Home working hub for spouses and partners, a families and baby area, a coffee area, a gaming area for teenagers and outside areas.   | £5,600.00  |

|  |   |   |            |
|--|---|---|------------|
| The Armour Centre (ARMCEN) and Bovington Garrison    | <b>Community and Sensory Gardens Projects</b> | The Armour Centre (ARMCEN) and Bovington Garrison will use the grant to rcreate a community garden and sensory garden. They will work in collaboration with a local council initiative, encouraging greater awareness of nature particularly amongst children.  | £6,000.00  |
| The Armour Centre (ARMCEN) and Bovington Garrison    | <b>Bovington Garrison Skate Park Project</b>  | The Bovington Garrison Skatepark, opened in 2015 on disused MOD land is hugely popular with Garrison based children across the age spectrum. It's an outlet for physical activity, skateboarding and BMX talents and skills and helps develop personal expression. It has been closed since September 2021 for urgent remedial work. With the NAAFI grant, the skatepark will reopen and provide a much needed outlet for children to engage in physical activity that will encourage expression of skills, talents, and serve as a natural focal point for them to engage socially | £19,200.00 |
| Army Foundation College                              | <b>Wellness and Life Skills Upgrade</b>       | The Army Foundation College Community Centre and Junior soldiers' Wellbeing Centre – are a safe place which allows everyone a place to chat, relax and socialise. All offer friendly, relaxed buildings for service personnel, 16-year-old junior soldiers in training and permanent staff, youth and families to engage. The grant will enable upgrades of TVs and audivisual equipment to offer more opprtunities for realxation and entertainment in a communal area.  | £16,896.00 |
| Army Training Regiment (Grantham)                    | <b>Station Welfare Area Refurbishment</b>     | With this funding, Prince William of Gloucester Barracks Station will refurbish and enhance the Station Function room and its outside area. It will provide a recreational area for service personnel and their families, encourage socialising whilst enhancing morale and team cohesion.  | £20,000.00 |
| The Band of Her Majesty's Royal Marines, Collingwood | <b>RM Band Collingwood Inliers Experience</b> | The Band of Her Majesty's Royal Marines, Collingwood will use their grant to improve the inliers communal space through the provision of furniture and a television. Much of the band's work is away from their families over weekends or evenings; quality social time with fellow RM Band ranks is thus particularly important for mental wellbeing, morale and unit cohesion.  | £772.00    |
| Chaplaincy, Commando Training Centre Royal Marines   | <b>Morale Deployed</b>                        | The project aims to support serving personnel who are persistently deployed, through the purchase and construction of physical exercise equipment, Televisions and portable BBQ's in order to support those with minimal down time while facilitating crucial high tempo training.  | £3,153.00  |

|   |   |   |            |
|---|---|---|------------|
| Combat Service Support Trials and Development Unit      | <b>Improving CSSTDUs Quality of Life</b>    | Combat Service Support Trials and Development Unit would like to purchase items to enhance the quality of life of its personnel, create a social space for staff and visitors and be able to host family events. Sports equipment would allow us to make the most of the local area during downtime.  | £5,000.00  |
| Headquarters Aldershot Garrison                         | <b>The Big Rig</b>                          | Headquarters Aldershot Garrison will use their grant to help encourage first steps to becoming more physically active. Fresh Air Fitness will create the gateway to healthier lifestyles for people of all ages. Being convenient and accessible to all, it removes many of the barriers that might otherwise prevent people from taking those first steps.   | £14,820.00 |
| Headquarters Catterick Garrison                         | <b>New Catterick Garrison Community Hub</b> | Headquarters Catterick Garrison will use their grant to deliver a needed, friendly and relaxed space for service personnel, veterans and their families to engage with organisations that offer advice and support across multiple areas including legal, finance, housing, health, security, child support, education and employment. The Hub provides a focus for community support.  | £20,000.00 |
| Hereford Garrison (MABs 1, 2, 5, 8, 12) 5 x Major units | <b>Unplug From The Matrix</b>               | This grant will enable more soldiers to engage in positive wellbeing activities in nature, though access to mountain bikes, SUP boards, Canadian Canoes and a bike trailer,   | £50,000.00 |
| HMS QUEEN ELIZABETH                                     | <b>Wardroom Breakout Area</b>               | The NAAFI grant will be used to purchase sofas and armchairs to create a new seating area in the Wardroom Dining Room, along with new lighting and artwork to enhance the space. By creating a new area in a different compartment, officers who wish to spend time reading or relaxing will have a quiet space away from the main Ante Room/Bar.   | £10,000.00 |
| MOD Abbey Wood  | <b>Stand Up to Isolation</b>                | With the 'Stand up to Isolation' project, MOD Abbey Wood will purchase Stand Up Paddle (SUP) boards, and supplementary safety equipment; wet suits, leashes, buoyancy aids. This will be used for Adventurous Training within both Joint Support and MOD ABW as a whole. The equipment will also be available for the service community to use. This includes Regular and Reservist units, Cadet Units and individual augmentees.                                   | £8,048.00  |
| Personnel Recovery Unit North                           | <b>Project Recovery Apiary</b>              | Project 'Project Recovery Apiary' will use their NAAFI grant to purchase all the equipment and facilities needed to build and run an Apiary and train more staff in the care of the hives. The Recovery Centre runs a rolling program of recovery activities for our wounded, injured and sick/long term sick service personnel to assist in their engagement in the recovery process. The apiary and associated bee keeping activities would enhance this program. | £5,000.00  |

|   |  |   |            |
|---|--|---|------------|
| The Queen's Royal Hussars   | <b>B Squadron Common Room</b>                        | With their NAAFI grant, The Queen's Royal Hussars will refurbish B Squadron Common Room to create a space for junior soldiers to come together and relax. The room will act as a relaxing area for junior soldiers who live away from their families where they can socialise, foster camaraderie and develop regimental identity.  | £6,000.00  |
| Regimental Headquarters Royal Electrical and Mechanical Engineers | <b>Weatherproof outdoor social area.</b>             | Regimental Headquarters Royal Electrical and Mechanical Engineers will use the NAAFI grant for the project 'Weatherproof outdoor social area'. It will develop a weatherproof seating area equipped with robust games for children and nearby an accessible playpark, where service families can safely meet and socialise outside the isolation of their married quarters. Lyneham is remote and this area will be welcomed by all.  | £23,500.00 |
| Regional Rehabilitation Unit Colchester                           | <b>Rehab Rest Recover Repeat</b>                     | The 'Rehab Rest Recover Repeat' project will spend the NAAFI grant renovating the current classroom, gym and patient rest room. Helping to make a comfortable and effective learning / seminar space and bonding relaxation space. This will involve upgrading desks and seats, adding plants and drink-making facilities and updating decoration. The grant will also go to providing an all-season outdoor seating next to the classroom. The gym will be decorated with large inspirational posters and military flags to represent all of the Units that receive treatment there. | £15,222.00 |
| RNAS Yeovilton  | <b>Health &amp; Wellbeing Facilities Improvement</b> | RNAS Yeovilton will use their NAAFI grant to rejuvenate the Junior Rates Channel Dash social facilities. This will be part of a wider initiative to enhance the health and wellbeing provision at the Air Station and will directly benefit junior personnel and their families.  | £25,000.00 |
| Royal Air Force Wyton   | <b>Community Centre Enhancement</b>                  | RAF Wyton will use their grant to upgrade the Community Centre to provide a vibrant facility for the Whole Community at Wyton. The Station will install a safe play area for children, improve the building. The centre will offer internet access, multi media speakers and a comfortable area for everyone to use.  | £25,000.00 |
| Royal Dragoon Guards  | <b>RDG E-Sports Suite</b>                            | The Regiment will use the grant to install and furnish an E-Sports suite, which will give a space for their E-Sports team to meet and train, and a space for off duty soldiers to meet and relax.   | £5,060.00  |

|                                 |   |  |            |
|---------------------------------|---|--|------------|
| Royal Fleet Auxillary ARGUS     | <b>Well Being and Welfare enhancement</b>     | Royal Fleet Auxiliary ARGUS requested a NAAFI grant to offer greater welfare facilities which will be utilised by service personnel. Mountain bikes, sea kayaks, SUP boards, fishing equipment, a well-being space (including hammocks) and a form of flight deck entertainment system. This new equipment will support health and well-being, encouraging unit cohesion and bolster morale in downtime. | £25,000.00 |
| Royal Navy Air Station Culdrose | <b>Re-invigoration of Culdrose Gig Club</b>   | Royal Navy Air Station Culdrose will refurbish a traditional Cornish gig boat and its equipment. It will be used by the personnel and families of RNAS Culdrose for team building, leadership training, personal development and racing. This will allow greater numbers to be involved in this sport that strongly ties the base to the local area.   | £9,000.00  |
| RRF First Fusiliers             | <b>Common Room, Social Space Improvements</b> | The NAAFI grant will be used to improve common rooms in Mooltan Barracks which are well used. Funding will purchase furniture and entertainment devices to encourage socialising. It will help reinforce small unit-cohesion and comradery.  | £20,000.00 |
| <b>Overseas</b>                 |   |  |            |
| 1 Royal Anglian                 | <b>Viking Hut Refurbishment</b>               | 1 Royal Anglian's NAAFI Fund project will improve the All Ranks Welfare Facility, the 'Viking Hut'. Utilised by single and married soldiers, the project will enhance the lived experience of service in Cyprus through providing an improved welfare space to relax and enjoy their off-duty time.  | £5,000.00  |
| 21 ENGINEER REGIMENT            | <b>TOSCA Welfare Upgrade</b>                  | 21 Engineer Regiment and future rotations will update and refurbish the tired welfare areas, across both camps in Nicosia, Cyprus. Creating new spaces to relax, enjoy and conduct continued personal development, will enhance the lived experience for all soldiers and officers, deployed on Operation TOSCA.   | £15,000.00 |
| 26 Engineer Regiment            | <b>Phoenix Resilience</b>                     | Project 'Phoenix Resilience' will encourages outdoor activity with the purchase of mountain bikes. The project aims to encourage improved mental wellbeing through physical activity. The NAAFI grant will also help re-invigorate a welfare facility that is of huge importance to service personnel in their downtimes. This facility is of particular importance during the Baltic winter months.     | £13,000.00 |

|   |  |   |            |
|---|--|---|------------|
| 901 EAW Op<br>KIPION                                  | <b>Project Zen</b>                                       | The grant will transform the communal areas in the UK Coalition block to create a warm, relaxing environment for service personnel to enjoy in their spare time. The area will be used for social gatherings, film nights and will encourage more social interaction  | £6,000.00  |
| Al Minhad Air Base,<br>Donnelly Lines                 | <b>South Camp Bar</b>                                    | Al Minhad Air Base, Donnelly Lines will use the grant to purchase appliances for the South Camp Bar. The facility is used regularly by over 120 service personnel and for functions with other coalition forces. The current fridges and ice machine are in need of an upgrade. The grant will also go towards a new bar.   | £5,150.00  |
| British Army<br>Training Support<br>Unit Belize       | <b>BATSUB Welfare<br/>Furniture</b>                      | With this NAAFI grant, BATSUB will buy pool furniture. Currently Service Personnel have the recreational and sporting facilities of a swimming pool, which is a key asset and meeting place for BATSUB staff and dependants. The pool furniture is in need of refurbishment and replacement. This NAAFI grant will provide an improvement to the welfare of those who use the swimming pool facility. | £450.00    |
| British Army<br>Training Support<br>Unit Belize       | <b>Sports enhance<br/>Physical/Mental<br/>Well Being</b> | With this NAAFI grant, the project will buy golf equipment and tennis equipment. BATSUB is an isolated Unit, 5,000 miles away from UK; it lacks sports/recreational facilities both in camp and local community. The project will help strengthen cohesion, morale and physical and mental well-being of the soldiers and their families.   | £2,500.00  |
| British Defence<br>Singapore Support<br>Unit          | <b>Families Fitness<br/>and Social Revel</b>             | British Defence Singapore Support Unit will use their grant to purchase a number of Kayaks and Paddle-boards. Alongside some personal Exercise and leisure equipment, purchased this will assist in the fitness activities of both serving personnel and their families. This will aid mental well-being and improved social cohesion across the unit whilst living in Singapore.                     | £10,000.00 |
| British Forces<br>British Indian<br>Ocean Territories | <b>Project BIOT<br/>Welfare Overhaul</b>                 | Project 'British Forces British Indian Ocean Territories Welfare Overhaul' will use their grant to make improvements to kitchens, communal spaces, bedrooms and the large recreational area that is used for hosting briefings and formal events. The funds will be spent on practical but essential items which will improve every day life in BIOT.   | £50,000.00 |
| British Forces<br>Brunei Garrison                     | <b>Outdoor play<br/>equipment<br/>request</b>            | British Forces Brunei will use the grant to purchase an inflatable water slide and outdoor soft play equipment that can be used for garrison welfare events and parties to help entertain children.   | £4,000.00  |

|  |   |   |            |
|--|---|---|------------|
| British Forces Brunei Garrison                                 | <b>Mumong Patio Club renovation project</b>   | British Forces Brunei will use this grant to fully refurbish the Mumong patio club, a welfare facility catering to 2000 Service Personnel and dependants in an isolated overseas community. This project will help provide a comfortable and welcoming social space for all.  | £20,000.00 |
| British Forces Gibraltar                                       | <b>Gunwharf Fitness Suite</b>                 | British Forces Gibraltar will use their grant to support JPDU Gunwharf Water sports & Recreation Centre. The funds will be used to increase health and well-being of the British Forces Community by purchasing a fitness and well-being studio to be installed within a disused boat building.                               | £14,180.00 |
| British Forces South Atlantic Islands - Mount Pleasant Complex | <b>905 EAW HQ crew facilities.</b>            | 905 EAW HQ will use the grant to improve the rest facilities for its on call personnel which includes aircrew, junior and senior ranks, to enable them when completing 24hr cover to be able to provide the best SAAR and Medevac provisions for both service personnel and those civilians on the Falklands.                 | £5,500.00  |
| British Forces South Atlantic Islands - Mount Pleasant Complex | <b>ESA Tea Bar Uplift</b>                     | The grant will be used to purchase a coffee machine, Burco Boiler, Ping Pong table, sport equipment and a games console so that personnel can relax on breaks; with benefits to their overall wellbeing.  | £2,750.00  |
| British Forces South Atlantic Islands - Mount Pleasant Complex | <b>ESS HQ Crew Room Uplift</b>                | The grant will be used to purchase a TV and furnishing to create a tea/bar recreational space within Engineering Support Squadron, providing a relaxed meeting space and waiting area for the large number of personnel coming through the door weekly as they await arrivals interviews and meetings.                        | £1,500.00  |
| British Forces South Atlantic Islands - Mount Pleasant Complex | <b>905EAW &amp; QCIT Common Room</b>          | The NAAFI grant will be spent on a room that has recently become available to the section, enabling refurbishing to be carried out. The project will improve the mental health and well-being of personnel by giving them a safe environment away from the everyday workplace to be able to come together socially and relax. | £4,530.00  |
| British Forces South Atlantic Islands - Mount Pleasant Complex | <b>Mechanical Transport Section Crew Room</b> | This funding will help furnish the crew room and kitchen area. It will help by providing a comfortable rest area for the 30 some service personnel working within Mechanical Transport section.   | £2,143.00  |

|  |   |   |            |
|--|---|---|------------|
| British Forces South Atlantic Islands - Mount Pleasant Complex     | <b>MPC Bowling Alley Refurbishment</b>          | This grant will provide a much needed update to a vital and popular recreational/welfare facility within MPC, which is utilised both deployed and Continuity Tour personnel and their families.   | £25,000.00 |
| British Forces South Atlantic Islands - Mount Pleasant Complex     | <b>Swimming Pool Equipment and Inflatable</b>   | This grant will help to provide suitable lane swimming and family orientated swimming sessions along with military training. With the grant, BFSAI will buy inflatables for family sessions, children's parties and competitions. Overall, this would ensure all service personnel and families have an additional fitness and recreational activities and create an enjoyable resource for families. | £15,000.00 |
| British Military Advisory Training Team, Czech Republic (BMATT Cz) | <b>BMATT Czech Republic Welfare Facility</b>    | With the NAAFI funding, BMATT Czech Republic will establish a welfare facility within the teams home in the Military Academy in Vyskov, for use by every soldier posted to the team. The aim of the project is to develop an area where soldiers can relax, eat lunch together and feel like that they have a place to go to talk and socialise with their friends and colleagues.                    | £7,000.00  |
| HQ BRITFOR - Op SHADER   | <b>HQ BRITFOR Community Area</b>                | The Tri-Service personnel currently deployed in Kuwait, with this funding, will be able to relax, socialise and built team cohesion in an inviting and comfortable area after many hours working under pressure. Due to the high temperature a shaded comfortable area is much needed. This will have multiple benefits for individuals well being.   | £6,000.00  |
| Joint Force Command Brunssum                                       | <b>Portable Speakers: JFC Brunssum</b>          | With this NAAFI grant, Joint Force Command Brunssum, will purchase robust and durable speakers that can 'plug and play' music. These will provide a fun environment for events and improve mental wellbeing and flexibility.  | £1,347.00  |
