

Grants awarded under the OVA Veterans' Capital Housing Fund: Development Grant Programme 2023/24 December 2023
3 grants totalling £72,720

| Organisation | Project Title | Grant Amount (£) | Project Description |
|-------------------------------------|---|-------------------------|---|
| Wales | | | |
| Adferiad Recovery Veterans Services | Wales' Veterans Quality Housing Project | 22,720.00 | This grant will support the wider development of a large, 24 bed nursing home, with the potential to create up to 14 self-contained, energy efficient 1- and 2-bedroom flats and a bungalow. This grant is being awarded at an early stage of the project to support the development of this complex project. |
| The VC Gallery | VC Veteran housing | 25,000.00 | This grant will enable the VC Gallery to have resources to work with planning professionals to develop plans for new residential accommodation for veterans. |
| England | | | |
| Hull 4 Heroes | | 25,000.00 | This grant will be used to support the creation of a Veterans Village, to include the development of housing units and community and support hubs. It will assist with the development of this complex project. |
| Total Awarded | | £ 72,720.00 | |
