

**Grants awarded under the Veterans' Career Development Fund 2023/24 – October 2023**

**2 grants totalling £1,300,000**

<b>Organisation</b>	<b>Project Title</b>	<b>Grant Amount (£)</b>	<b>Project Description</b>
<b>UK wide</b>			
Mission Community	The 'Mission Community' Sector Initiatives	£650,000	Building on successes in the Automotive and Renewable sectors, this project harnesses the advocacy of industry bodies, promoting Armed Forces community engagement across the UK. By harnessing a strategic national asset, UK economic growth is supported by sharing best practice, driving collaboration and uplifting Veterans and their families within society.
Forces Employment Charity	Forces Employment Pathways Programme	£650,000	The Forces Employment Pathways Programme will develop sustainable careers in industry sectors that utilise the strengths, skills, expertise and experience of Veterans and their families. It is open to Veterans and their families looking to enter employment and to those already in employment who aspire to progress their careers.
	<b>Total awarded:</b>	<b>£1,300,000</b>
