<b>Organisation</b>	<b>Project Title</b>	<b>Grant Amount (£)</b>	<b>Project Description</b>
Alabaré Christian Care and Support	Homes for Veterans development research	£24,636	Alabaré is undergoing a sustainable futures programme and as part of this, undertaking an options appraisal; this could include purchase of new build, renovation of older property or multiple smaller property developments. Plus, identification of geographical area of need.
East Sussex Veterans Hub	Homeless Veterans Creating New Futures	£25,000	This is a start-up initiative in a county with no existing dedicated accommodation accessible for homeless Veterans. It will provide supported accommodation for homeless Veterans in East Sussex, delivered within a 'sanctuary' style environment, linked to all support agencies, offering a comprehensive rehabilitation package specifically for those with complex needs.
Woody's Lodge	Homefront Haven	£25,000	The project will design 4 sustainable living units in a rural Welsh cottage, part of a holistic initiative to combat Veterans' homelessness. The 11-acre site will also double as a training facility, enhancing employability prospects for resident Veterans, fostering independence, and rebuilding lives.
