

Grants awarded under the Veterans' Capital Housing Refurbishment Grant programme 2023/24 – September 2024

4 grants totalling £264,119

Organisation	Project Title	Grant Amount (£)	Project Description
Gentoo Group	Operation Positive Moves	£39,119	The project will refurbish 3 void properties in Gentoo Group stock to create the first dedicated transitional homeless Veteran housing within the City of Sunderland.
Haig Housing Trust	Bathroom & kitchen refurbishments	£75,000	Haig Housing Trust (HHT) seeks to refurbish nine kitchens and bathrooms across its properties. This funding will contribute towards its existing rolling refurbishment programme which sees it refurbish kitchens and bathrooms every 20 years, ensuring that homes meet the decent homes standards. The project will improve the quality of accommodation available for Veterans and prevent them from falling out of use.
Royal British Legion Industries (RBLI)	Boiler for Mountbatten homeless hostel	£75,000	Funding will enable the replacement of the non-functioning boiler system at their emergency accommodation for homeless Veterans, Mountbatten Pavilion. Without heating or hot water, RBLI cannot adequately support the wider welfare of their most vulnerable residents, many of whom live with PTSD and severe mental health issues.
The Sir Oswald Stoll Foundation	Bathroom Refurbishments at Wessex House	£75,000	The project will refurbish 5 bathrooms at Wessex house, their Veterans' housing site in Hounslow, and refurbish these to a high and modern standard suitable for residents' needs and comfort.
