Organisation	Project Title	Grant Amount (£)	Project Description
England			
Home-Start Norfolk	New Start with Home-Start	£119,986	New Start will provide practical one-to-one support with settling families into their new home. Through baby and toddler groups, including baby massage and other social activities, parents and carers will have the opportunity to connect, build friendships, and explore their new surroundings.
Families Together Suffolk	Little Flyers Group, RAF Honington	£27,989	Little Flyers provides early intervention for newly relocated service families at RAF Honington, addressing challenges like isolation and limited networks. By creating a welcoming space with tailored activities and guidance, the group will help families build connections, access support, and make informed choices about their wellbeing and resources.
Make Some Noise Limited	Make Some Noise Upbeat Families	£98,701	This project will strengthen parent-child bonding for over 300 families, ensuring resilient relationships while reducing isolation. The project will also increase participation in music-making to support early years development.
