

**Grants awarded under the Veterans' Capital Housing Fund: Refurbishment Grants programme – March 2025**

**4 grants totalling £208,256**

Organisation	Project Title	Grant Amount	Project Description
The Sir Oswald Stoll Foundation	Plant System at Wessex House	£75,000	A new <i>Plant System at Wessex House</i> will provide economical and energy efficient heating and hot water system at Stoll's Countess of Wessex House, which is one of Stoll's Housing Schemes for veterans.
Mode Rehabilitation	Veterans' Haven Finalization Project	£31,000	The <i>Veterans' Haven Finalization Project</i> will complete a refurbished property to house five veterans by funding a kitchen, en-suite bathroom, and furniture. Residents will receive free, unlimited access to mental health and support services next door, ensuring a stable, supportive environment for their recovery and transition to independent living.
The Royal Alfred Seafarers' Society	Refurbishment of Sheltered Accommodation	£30,141	The project will refurbish 2 flats for veterans and their families, to give more useable space in the kitchens, refresh the bathroom adaptations to enhance safety and mobility.
RAF Association	Enhancing futures at Dowding House	£72,115	The RAF Association will undertake an extensive refurbishment of Dowding House to extend its usable life and ensure it continues to be accessible and compliant housing for older members of the Armed Forces veteran community, to enable them to continue living independently in a community of like-minded people.
